Daniel Baker - I.T.

Demi Brooks - Marketing

Matthew Bartlett - Sales

What do we do?

We provide a service which organises a Farmers Market held at Y Pant on a monthly basis. We provide opportunity for local businesses to sell their produce to the local community.

Our progress so far

We attended the Young Enterprise Launch Event in October along with 12 other teams competing in the competition this year. The task involved teams having to create a gym and advertise it as best we could. Teams then had to present their ideas to the rest of the groups, teachers and judges. Prizes were awarded for 1st - £50, 2nd - £20 and 3rd - £10. Our team were awarded 2nd place and the £20 will go towards our £80 registration fee to take part in Young Enterprise.
