

Dear Parents & Guardians,

We would be very grateful if you could spend 5 minutes answering some questions about your ICT use as a family. It is important that we at Y Pant understand how families use ICT so we can target our ICT resources to best suit your children's learning. You may find it useful to complete this questionnaire with your child! Please return completed questionnaires back to school with your child by Friday 11th December 2009. If you have any questions please contact me on lucy.bunce@ypant.co.uk or via the school.

Many thanks

Miss L Bunce – Teacher of ICT
